### **Stuffed and Starved — Markets Power and the Hidden Battle**

May 11th, 2009 - Stuffed and Starved is not about the industrial North and developing South divide. It addresses the class divide across the globe of those who have enough to eat versus the chronically hungry. What is well documented in this book is that neither group has control over food choices.

### **Books — Raj Patel**

November 14th, 2018 - Stuffed and Starved Half the world is malnourished the other half obese — both symptoms of the corporate food monopoly. To show how a few powerful distributors control the health of the entire world Raj Patel conducts a global investigation traveling from the "green deserts" of Brazil and protester packed streets of South Korea to bankrupt Ugandan coffee farms and barren fields of India.
